MSRP **\$150.00**

Perceptive and reflective. This 3-in-1 system jacket is as changeable as the weather. With a functional design that is as perceptive as you are, you stand prepared as the hills change to red, gold and orange. Three jackets in one allow you to customize as you see fit. Choose to wear the ultra-warm zip-out fleece liner jacket on its own, or simply don the rain shell in light conditions. The full-length storm flap provides extra coverage, and the roll-away hood brings added versatility. Ever the protector; the reflective trim provides increased visibility in low light.

A person wearing a bright blue hoodie and dark pants stands on a large, moss-covered rock in a dense, lush forest. The scene is filled with vibrant green foliage, including large trees and hanging vines. Sunlight filters through the canopy, creating a dappled light effect. The overall atmosphere is serene and natural.

"We just live once, and I don't want to waste my life."

Traversing the globe as a self-taught photographer and travel content creator is the life dreams are made of. Fortunately, over 209 000 Instagram followers get a vicarious taste of this life through the lens of the talented Wayhu. An active outdoor lifestyle and being close to nature brings a welcome sense of calm and peace to the sometimes frenetic life of this traveler. Being amongst nature is where his troubles and challenges fade. While reaching the desired destination is not always easy, his reward is pictures that tell the story of an exciting and thought-provoking life. Being close to nature is his chosen space because that is where his mind is freed to craft his creative and compelling stories. His hope is that by sharing his travel photographs, others may experience the same feeling of happiness he does.
